Coleman-Mach
An *AIRXCEL* Brand

RAISED *in the* HEARTAND.
BORN *for the* ROAD!

CLIMATE CONTROL SOLUTIONS

The brand you turn to for quality ACs, Heat Pumps, Thermostats and accessories for RVs, boats, off-road vehicles and specialty applications.

When the heat hits, Coleman-Mach keeps you cool — and your shirt dry too. When temps drop, enjoy a little extra warmth with built-in heat options. And when allergy season rolls in? Breathe easy with air purification and replaceable filters.

Whether you want it all now or prefer to add upgrades later, Coleman-Mach makes it easy to create your perfect climate. Cool it. Heat it. Clean it. Control it — and *keep your cool on the road*.

AIR CONDITIONERS and HEAT PUMPS

SIGNATURE SERIES:
The classic line-up of Coleman-Mach air conditioners and heat pumps.

THE QUIET SERIES:
Our tests show, this series has some of the quietist units on the market. Inside and out.

POWER SAVER SERIES:
When you need HIGH-EFFICIENCY air conditioning that makes the best use of available power.

SOFTSTART AIR CONDITIONERS:
The Coleman-Mach Soft Start, in the power-up phase, REDUCES the inrush amps up to 75%.

ROUGHNECK SERIES:
Specifically built to operate in rough terrain.

MARINEMACH:
High performance air conditioning in a package suitable for high humidity, salt water conditions.

REPLACEMENT SHROUDS:
Impact resistant, textured and polished shrouds available in white or black.

CLIMATE CONTROL ACCESSORIES

CEILING ASSEMBLIES:
Coleman-Mach air conditioners require selecting a thermostat control either wall-mounted or mounted in the ceiling assembly. Within those choices are additional configurations based on individual requirements.

THERMOSTATS:
Thermostats for use with Coleman-Mach air conditioners for RVs and specialty applications.

CLIMATE CONTROL ACCESSORIES:
NEW products, now in shelf-ready retail packaging including Soft Start kits, Air Purifiers, AirSpace Heaters and replacement Air Filters.

SPECIALTY AIR CONDITIONING:
Powerful PARKPAC and Two-Ton Plus air conditioners.

CONVERSION KITS:
Dometic and Carrier to Coleman-Mach conversion kits.

A/C and HEAT PUMP COMPONENTS:
Includes everything for a seamless, hassle-free installation.

Our air conditioners are available in various series, each offering unique features. They come in three common shroud profiles—Medium Profile, Low Profile, and Ultra-Low Profile — offered in a textured or polished finish, available in black or white.

AIR-VANTAGE CONVERSION KIT

Dometic™ to Coleman-Mach ducted ceiling assembly conversion kit for a/c or heat pump replacement.

ONLY FOR USE with existing Dometic™ CT wall thermostat, control box, and ducted ceiling plenum.

Easily upgrade to a Coleman-Mach AC or heat pump using your existing CT wall thermostat, control box, and ducted ceiling plenum. The kit includes the necessary electrical and mounting components. Not compatible with NON-CT thermostat systems.

This kit is intended to allow replacement installation of a Coleman-Mach rooftop air conditioner or heat pump while still utilizing the original Dometic ducted ceiling grille with single zone control box and "CT" wall thermostat. NOTE: Not to be used to replace a rooftop unit with a 3 speed blower – for use with 2 speed, single zone control boxes only.
